Communication between school and home is extremely important at Plainedge Public Schools. To provide valuable ongoing correspondence, the district utilizes the School Messenger system to deliver emails, phone calls and text messages with important information about events, school closings, safety alerts and more. Your email address and phone numbers have been added to our system based on your registration packet and parent portal updates. However, in order to participate in text messages, you must indicate your willingness to receive messages to your phone. The process is simple and only takes a few seconds to complete.

Simply text "Y" or "Yes" to **67587**

You will want to repeat the opt-in process for any wireless numbers that you wish to include.

Sincerely,

Edward A. Salina, Jr., Ed.D.
