Board of Education Meetings
The Board of Education consists of seven residents who are elected by
the people and serve without salary for three-year terms of office. Business
Meetings are generally held on the second or third Thursday of each month
at 8 p.m. (from September to June, located in the Innovation Learning
Center in the west wing of Plainedge High School). The agenda and minutes
of Public Work Sessions and Business Meetings are posted on the district’s
website.

During both our Public Work Sessions and Business Meetings, we look
to highlight student and staff achievements, as well as provide in-depth
presentations on the district’s educational programs and services. These
meetings strive to provide a clear picture of what is going on in the district.
Our meetings also give community residents an opportunity to comment
or ask questions related to our schools and programs. There is always an
opportunity for public participation during our meetings, and residents are
encouraged to attend.

Please call the District Clerk’s Office (516-992-7457) should you need
more information about school board meetings. For the most up-to-date
meeting information, visit www.plainedgeschools.org.

Plainedge Public Schools offer comprehensive guidance services for all students in Grades 6-12. The guidance program provides each student with assistance in personal and academic development, career and college planning, and adjustment to school. During a series of conferences and group sessions spanning all four high school years, counselors help students plan their educational future.

The main focus of the school psychologist is to support student success. They advise and consult with parents, teachers, and administrators. Psychologists work with students in a confidential setting and employ a variety of methods to evaluate and assist students in the areas of academic achievement and personality development.

The psychologist screens students for the Committee on Special Education and makes appropriate recommendations. Additionally, psychologists serve as a resource and contact between the school and numerous social agencies and mental health providers available to assist parents and children.

When the safety of children requires that schools be closed because of weather, road conditions or other situations, the following sources will carry the news of the closing between 5:30 a.m. and 8 a.m. Please obtain your news from these sources rather than calling the schools. In addition to these sources, we will also notify parents through the automated telephone system. This system allows the administration to contact parents and caregivers by phone. Please make sure we have your most recent and preferred telephone number for this purpose.

**Emergency Closing of School**

TV: News 12 Long Island, Verizon Fios Channel 1
Website: www.plainedgeschools.org
Social Media: Facebook, Instagram and Twitter

There are two inclement weather days planned in the 2019-20 school calendar. If two inclement weather days are used, schools will be open on all scheduled days. The following will take place if there are school closures due to inclement weather:

- **2 closures** - Schools will be OPEN on all scheduled days in the calendar
- **1 closure** - Schools will be CLOSED on May 26, 2020
- **No Closures** - Schools will be CLOSED on May 22, 2020 and May 26, 2020

Depending on road conditions, the opening of school may be delayed by ninety minutes. If there is a delayed opening, all students who are bused to school should be at their regular bus stops exactly ninety minutes later than usual. Dismissal times remain the same.

If it becomes necessary to dismiss students early because of emergency conditions in the district, announcements will be made on television stations listed above. We will also notify parents through the automated telephone system. This automated system allows the administration to contact parents and caregivers by phone. Please make sure we have your most recent and preferred telephone number for this purpose. We will also post early dismissal information on the district website.
Conduct and Responsibilities

Code of Conduct
The Board of Education is committed to providing a safe and orderly school environment where students may receive and district personnel may deliver quality educational services without disruption or interference. Responsible behavior by students, teachers and other district personnel, parents and other visitors is essential to achieving this goal.

The district has adopted a Code of Conduct that defines the expectations for conduct on school property and at school functions of students, staff, and visitors to school buildings, and the disciplinary actions resulting from violations of the Code, in accordance with the Dignity for All Students Act (DASA), as well as Safe Schools Against Violence in Education Program School Safety and Emergency Response Plan. It is based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty and integrity. A complete copy of the Code is available at http://bit.ly/pufsdcodeofconduct.

Student Responsibilities
In order to promote a positive learning environment, all district students have the responsibility to:
• Contribute to maintaining a safe and orderly school that is conducive to learning by showing respect to other persons and property.
• Be familiar with and abide by all policies, rules and regulations dealing with student conduct.
• Attend school every day unless legally excused; be in class, on time, and prepared to learn.
• Work to the best of their ability in all academic and extracurricular pursuits and strive toward the highest level of achievement.
• React to direction given by teachers, administrators and other school personnel in a respectful, positive manner.
• Develop mechanisms to control anger.
• Ask questions when they do not understand.
• Seek help in solving problems that might lead to discipline.
• Dress appropriately for school and school functions.
• Accept responsibility for their actions.
• Conduct themselves as representatives of the district when participating in or attending school-sponsored extracurricular events, and exercise the highest standards of conduct, demeanor and sportsmanship.

To view the Plainedge Public School DASA Policy visit http://bit.ly/PSDDASAPOLICY.
GENERAL INFORMATION

Student Dress Code

The Plainedge Middle School and High School have adopted the following Student Dress Code as part of their Code of Conduct. All students are expected to give proper attention to personal cleanliness and to dress appropriately for school and school functions. A student’s dress, grooming and appearance, including hairstyle/color, jewelry, makeup and nails, shall be safe, appropriate and not disrupt or interfere with the educational process.

1. Extremely brief garments and see-through garments are not appropriate.
2. Footwear must be worn at all times.
3. Items that are vulgar, obscene, or libelous, that denigrate others, or that promote and/or endorse the use of alcohol, tobacco, illegal drugs or violent activities are prohibited.

Students who violate the dress code shall be required to modify their appearance by covering or removing the offending item and, if necessary, replacing it with an acceptable item. Any student who refuses to do so shall be subject to discipline, up to and including in-school suspension for the day.

Special Education

The district provides a full continuum of special education support and services to meet the needs of all students. Special education needs that cannot be met within the district are arranged in cooperation with neighboring districts, BOCES, outside agencies and private schools.

Early identification of a disability is vital in helping a child receive an appropriate education. Students are identified through the district’s kindergarten screening program, parental referrals or referrals from principals, teachers, counselors, or medical professionals. Children with a potential disability are referred to the Committee on Special Education.

The Committee on Special Education (CSE) is comprised of a chairperson, a parent of a child with special needs, both a general and special education teacher, and a school psychologist. The presence of a physician is optional. The duties of the CSE are to review all data and to recommend to the Board of Education appropriate placement and programs for each child being classified.

Attendance

Attendance is required every school day. Excused attendance is defined as absence, tardiness, and early departure from class or school due to personal illness, illness or death in the family, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, approved internship programs or other such reasons as designated by the parent and accepted by the building principal.

Please telephone the main office when your child is absent. A note explaining the absence is required on the day your child returns to school. Children should arrive at school on time. A written note is required if a child is late.

Homework

Homework is an important adjunct to schoolwork. In general, homework is assigned to reinforce the work done in school or the completion of assignments, or research work that cannot be completed in school. The amount of work necessary depends on the subject, type of class and the individual child. You can assist with homework by providing a satisfactory place for work free from distractions, by establishing a time schedule for homework and by showing an interest in your child’s work. The district has adopted “Homework Guidelines” that can be found on the district website.

Personal Property in School

The Plainedge School District assumes no responsibility for personal property brought to school or to any school-related activity; that responsibility rests with the student. The Board of Education will not reimburse students or parents for loss or damage to personal property.

Students are also held responsible for any school property, such as books, locks, musical instruments, etc., that is assigned to them for their personal use.

Report Card

The report card is one of the ways we communicate with you about your child’s progress in school. While the report card is informative, it does not contain as much information as teachers would like to share with you. Therefore, please make every effort to attend parent-teacher conferences that are scheduled during the year. Parents are able to access their children’s grades through the Internet by accessing Power School.

Student Accident Insurance

The Plainedge Schools provide student accident insurance without charge. The insurance is known as NON-DUPLICATING COVERAGE. This means that parents may be reimbursed for medical bills for an accident occurring at school, AFTER their own private insurance has been utilized. The school district itself is not responsible for the payment of medical bills that result from an accident.
Registration
Registration for all new students to the district takes place in the district office located at 241 Wyngate Drive, North Massapequa between the hours of 8:30 a.m. - 3:30 p.m. on any day that the school district is open. Appointments may be scheduled by calling 516-992-7420. At the time of registration, parents will be required to complete our registration packet, which includes a student registration form, proof of residency forms and a proof of immunization form. Additional information regarding these forms and our registration process can be found on our district website, or by contacting our district registrar at 516-992-7420. It should be noted that if it is determined that a student is not living in the Plainedge School District or that residence is solely for the purpose of attending Plainedge Public Schools, the full cost of yearly tuition will be charged to the person signing the residency affidavit. This tuition may range from $20,000 to $65,000, depending on the level of services provided.

Transportation
Transportation to and from the district schools is provided as follows:
Grades K-5: students living 3/4 mile or more from the school of assigned attendance.
Grades 6-8: students living .25 miles or more from the school of assigned attendance.
Grades 9-12: students living 1-1/2 miles or more from the school of assigned attendance.

Bus passes are issued free of charge at the beginning of the school year to eligible students. Passes are non-transferrable and are to be shown to the driver upon request. A $1 fee will be charged to replace a bus pass. On the bus, students must remain seated throughout the trip. Smoking, fighting or the use of foul or abusive language is not allowed. As a safety measure, backpacks are recommended for elementary school students.
All bus riders should be at their pick-up point at least five minutes before the scheduled pick-up time. If the bus is delayed, please wait 10 to 15 minutes before reporting a bus overdue.
To report an emergency situation, or a bus more than 15 minutes late, please call 992-7490. Please give the name of the school, the bus number and the bus stop.

It is the policy of the district to promote healthy lifestyles for its students and staff and to inhibit the use/abuse of alcohol, tobacco and other substances. The district has developed substance use/abuse prevention and intervention programs, including a sequenced K-12 prevention curriculum, and substance abuse assessment and counseling services for students.

#### Privacy Act

The Plainedge Public Schools have established procedures relating to student records for parents and students. Each student has the right of protection against an unwarranted invasion of privacy.

The superintendent of schools has developed procedures which recognize that parents and eligible students have the following rights:

- To inspect and review their school records.
- To challenge the contents of records on grounds of being inaccurate, misleading, or otherwise in violation of their rights.
- To deny access to their records without their consent except where disclosure without consent is authorized by law.
- To file complaints of alleged violations of the FERPA with the FERPA Office of the U.S. Department of Education, Washington, DC 20201.
- To obtain a copy of district policy on student records.

Those who are interested in access to student records or the policy on student records may call 992-7485.

Lunch is served at all schools at a cost of $2.50 at the elementary schools and $2.75 at the secondary schools. Money, in any amount, can be sent in either cash or check made out to Plainedge School District. This money will go into your child’s account and can be used to purchase lunches or snacks at lunchtime throughout the school year. You may also use “myschoolbucks.com” to put money on your child’s account using a debit or credit card. All school menus, and free and reduced lunch applications are available online at www.plainedgeschools.org. The free and reduced application must be printed, filled out with an original signature, and returned to the lunch office at 241 Wyngate Drive, North Massapequa, N.Y. 11758, Att: School Lunch Program. The free and reduced-price meal information is published separately in the Massapequa Post. For additional information about the school lunch program, please call our school lunch manager Edward Ross at 992-7594 or email edward.ross@plainedgeschools.org.

Vandalism

Educational programs teach children positive attitudes toward public and private property. In an effort to control vandalism, the district employs security guards and has installed a vandal alarm system. Anyone who is apprehended while involved in vandalizing our buildings will be prosecuted. Parents are reminded that current New York State law makes parents responsible for $1,500 in damages incurred by the actions of their children. It is the policy of the Board of Education to seek reimbursement from parents whenever possible. If you see any of the district schools being vandalized, please call this number immediately: 992-7492.

Tax Exemptions

The Plainedge Board of Education passed resolutions to adopt the Senior Citizen Property Tax, the Persons with Disabilities and Limited Income Property Tax, the Veterans Tax and the Volunteer Firefighters and Ambulance Workers Tax Exemptions. The amount of the exemption is determined by the Nassau County Department of Assessment based on a sliding scale related to income level.

Applications for these exemptions must be made annually by Dec. 31 to the Nassau County Department of Assessment, 240 Old Country Road, Mineola, N.Y. 11501. For additional information, please call 571-1500.

Emergency Drill Exercise

As part of the Safe Schools Against Violence in Education Program (SAVE) and our emergency response plan, the district’s safety team has developed a plan for an annual test of our school building emergency response plans. The drill shall test the following components of the plan: alert warning, communications, staff procedures, transportation, public information and emergency procedures. Parents shall be notified in advance of the date of the drill.

Report-it.com

In an effort to promote a safe and secure school environment, the district has enrolled in Report-it.com, an anonymous Internet hotline where students and parents can seek help or report potential danger in or around the school – 24 hours, seven days a week.

The hotline is a tool for anyone to report acts of bullying, hazing, vandalism, violence or drug use. The hotline also provides references for those looking for help with child abuse, drug and alcohol addiction, suicide prevention and family problems.

To Use Report-it.com

2. Click on the “Members” section.
4. Complete the school data and type the report.
5. Click “Submit.”

SEXUAL HARASSMENT POLICY

The Plainedge Board of Education is committed to maintaining a safe and positive learning environment free of sexual harassment of students. The Board condemns all unwelcome behavior of a sexual nature toward students and will take strong disciplinary action if it determines there has been retaliatory behavior against complainants or witnesses. Confidentiality for all persons involved will be respected to the fullest extent possible.

Sexual harassment is defined as unwelcome physical or verbal contacts of a sexual nature, which are designed to extort sexual favors or which have the purpose or effect of creating a demeaning, intimidating, hostile or offensive environment.

Students who believe they have been subjected to sexual harassment, or parents acting on their behalf, are to report the alleged misconduct to their principal, teacher or counselor. Before proceeding to any investigation, a formal complaint form must be submitted by the accuser. Upon receipt of the form, a prompt, thorough and impartial investigation will be conducted. Complaint forms and copies of the policy are available from the principals and the counselors at all schools.
