

HIGH SCHOOL INTERSCHOLASTIC SPORTS 2021

Varsity sports are predominantly for 11th & 12th grade students unless no JV team exists.
JV sports are predominantly for 9th & 10th grade students.

Winter Sports

Dates TBD

The Plainedge School District will be opening its Winter Athletic program (tentatively January 4, 2021). This will be for the regular Winter Season sports of Basketball, Bowling, Indoor Track, Wrestling and Competitive Cheerleading.

Student medical forms will only be accepted between November 23rd and December 11th to ensure that all students will have the opportunity to join practices and/or tryouts on the first day of the season.

Forms that are submitted after the deadline of December 11th may not be cleared for the first day of practices/tryouts in January and students will not be able to participate until cleared by the school nurse. There is a school vacation between December 19 and January 3rd. No medical forms will be processed during this time.

Please Note: If you have already submitted medical forms for the Fall, please submit the *Parent Permission for Interscholastic Participation* form and the *Health History for Interscholastic Athletics* form for Winter Sports between November 23rd and December 11th.

All medical/permission forms can be found on the Plainedge website. Click on the Parent tab and drop down to Health Services or Athletic Forms and Dates.

Fall Sports

Dates TBD

Spring Sports

Dates TBD
