

## *A Social Network for Special Needs*

**eSpecialMatch.com**

**We've Launched!**

**October 2008**

Dear Friends,

I am proud to announce the launch of [eSpecialMatch.com](http://eSpecialMatch.com); a new social networking site dedicated to providing information, resources and support to families with special needs children - including Autism, Asbergers, Down Syndrome, speech/language disorders, ADHD and multiple others.

Whether you are a family member, a friend or a professional who services children with special needs, [eSpecialMatch.com](http://eSpecialMatch.com) is a place where you can share information and meet new people.

Click [here](#) to become a member today - it's Free! - and help spread the word to other members of the special needs community.

**eSpecialMatch.com** - A Social Network for Special Needs

Sincerely,

Michael Radicone, M.S.E.D.  
Founder and Creator

**What does eSpecialMatch.com offer?**

**How do I join the eSpecialMatch.com community?**

Quick Links

## What does **eSpecialMatch.com** offer?

By becoming a member, you can:

- connect with families and special needs service providers
- share stories and experiences; create blogs
- read and post reviews on books, therapies, educational programs and leisure activities
- learn about social, educational and fundraising events in your neighborhood
- keep up with the latest news
- and more!

eSpecialMatch.com can be a powerful tool for professionals as well:

- Connect with families that need you expertise
- Connect with other professionals
- Promote and coordinate your training sessions, conferences, and seminars

## How do I join the **eSpecialMatch.com** community?
