Just a reminder that there is practice at PW tonight 5:45-7pm.

Also there is a schedule change. Cantigue accidentally double booked the Ice for next week and we WILL NOT have practice on November 8th. We will however have our first practice At The Freeport Rec center on Friday November 21st 4:30-6pm.

Dear Parents

With the Hockey season right around the corner, I am proud to Announce that the Long Island Blues are making preparations to deliver our 5th season of Hockey that will include practices, tournaments and special events. We will continue to use The Port Washington Skating Academy, Cantigue Park in Hicksville and the Freeport Rec. Center for our games
