

2024

LONG ISLAND SPRING GAMES

Special Olympics New York's annual Spring Games is a signature event celebrating spring sports including athletics (track and field), powerlifting, swimming, and tennis. This event is the largest Special Olympics competition on Long Island each year, and we cannot run it without the support of our dedicated volunteers!

Volunteers Needed!

If you are 12 years old or older, come out and volunteer with us at our 2024 Long Island Spring Games on Saturday, May 4 at Plainedge High School. We have plenty of roles available, and no experience is needed! There will be a volunteer orientation the week of the event to learn more.

Join us to volunteer with sports like:

- Athletics (track and field)
- Powerlifting
- Swimming
- Tennis

How to Volunteer

Register to volunteer by using the QR code at right.

Where and When

Saturday, May 4, 2024
Plainedge High School
241 Wyngate Dr, Massapequa, NY 11758
